

Appalachia

US Rural Mission Trip

High School Summer Mission Trip July 14 - 29, 2012

Rogersville, TN :: Appalachian Mountains

An adventure is waiting for you in Appalachia!

A unique pocket of American subculture...

Low income potential, lack of opportunities...

Declining industries of yesteryear that leave many families poor and forgotten...

There's a job waiting to be done.

People are waiting to be known.

God is moving in the Appalachian mountains and is calling a generation to "GO!"

Meet people with stories to share and take a second to **listen**...

LEAD children through a summer's worth of adventure and discovery

COACH sports while building strong relationships

SERVE in meaningful ministry with local partners doing what we must to make them successful.

We're using twenty two years of experience to discover ministry partners old and new that will get your group in the trenches. We are scouting the best opportunities for them to see *face to face* with **children**, the **elderly**, the **outcast**, the **homeless**, **teenagers**, **mothers**, and **orphans**.

The people of Appalachia need Jesus and the hope His message brings.
